“ My deepest sympathy to family and friends. I had the pleasure of working with Til in her various capacities in the LGH OR. She was a wonderful person who was caring and competent as a nurse and manager. She kept a lot of us going in the right direction. The family will be in my thoughts and prayers.

“ I have many memories of getting to go to the beach with Aunt Til both in New Jersey and Delaware. I was able to take numerous trips to Clearwater for Phillies spring training with her and her friend Mary from work, going to games in Philly at the Vet with her, Kim, Elva and her boys. I loved getting to spend time on Broad Street with her, Kim and my Mom-Mom and Pop-Pop. When I'd call to check in with her, before we knew it, we'd been on the phone for over an hour. This I will miss the most. She had so many stories. Rest in peace Aunt Til. Love you!

“ When I was a wee girl, I climbed up to medicine cabinet and took some St. Joseph's children's aspirins...they tasted good! Parents took me to LGH. Being scared and crying, I was relieved to see Aunt Til come in...she'll help me! Oh heck...she shoved a red rubber hose down my throat...all while telling me this will help me! I would often remind her if that and that I still loved her 😭 Oh I'll miss you, Aunt Til. Who else will I call when your Phillies and my Padres have a sucky game? You will be missed 🙏 Til we meet again...and I'll bring some snacks! 😊❤️😘

“ I remember a few months ago when I seen Nan I told her if Amy kept messing with her, I'd throw a spider at her and how funny she thought that was. She was truly a sweet, kind, and amazing woman. She will be missed dearly. My condolences to the family.

“ When I was little, I was convinced the only way to stop the monsters from under the bed AND to guarantee no nightmares was to of course sleep in Nanny's (Jane's) bed. I would quickly make my way to the kitchen, crawl on the floor so my very awake parents wouldn't see me crawling past the living room, and run all the way over to nans side of the house and into bed with her. I never remember having a hard time sleeping with her. And she never said no to me sneaking in her bed. I miss and love you dearly, nan 💖

“ I worked with Jane (we knew her as Til) for many years in the OR. She was the nicest lady and a great mentor for the ENT service at LGH. My condolences to her family!!! Vicki Geib

I knew Til when working at LGH as an OR secretary. The ENT area was close by and so we often had time to exchange pleasantries. I never recall her complaining or uttering a harsh word about anyone. She loved talking about her niece and the Phillies ! She was highly respected by the ENT physicians and coworkers alike. Memory Eternal! Kathy Wanenchak
