“ *My sincere condolences to all of Janet's family and friends. It was a joy to be her instructor at the Adult Education School. She clearly had a calling; so very bright, keen and talented. It is saddens me that she has been taken from the earth so young. With fond memories, Lauren Yelle-Simmons*

“ Miss Janet was a very dear friend of mine. We worked together at the school clinic at Carter Macrae. I loved her so! She was a kind and loving friend and she loved the children as if they were her own. I am blessed to have known Miss Janet. We enjoyed tea time and I visited her many times at her home. She always made me feel welcome along with her husband Melvin. My prayers are with you. Miss Janet, I will give you the biggest hug when we meet again. I love you always.

“ To Janet's immediate family, there is no doubt that a bright light has dimmed. She made every attempt to visit as many family members whenever she returned home and was always so caring about the welfare of all of her relatives in Bermuda. Time spent with her was indeed quality time. I recall how dedicated she was to my sister Cheryl when she was stricken 12 years ago. The two of them were very close. I state her light has dimmed, not extinguished as memories of her time with us will continue to live on. Rest In Peace my dear cousin.
