“ *Jan Reed lived across the street from us all of the years she spent the winter at Hillcrest RV Resort in Zephyrhills, Florida. We also owned a Winnebago and traveled with her on a couple of caravans and adventures. What a wonderful time we had with her not only sharing the sights, but playing cards, going for walks and participating in a variety of activities like water aerobics, singing in the choir, and attending loads of dinner gatherings at a variety of restaurants. Her Keystone Winnies group adopted us as members and with that group we celebrated birthdays at bd Mongolian Grill in Lakeland, Florida each of the months we were together in Florida. She adopted February 25 as her birthday so she too could have a free meal and be celebrated getting cards and joining in the fun with up to 24 of us at one time. A favorite spot to visit was Plant City - the strawberry capital - and the Parksdale Market where we would enjoy a strawberry boat sundae with whipped cream on the top. She loved getting a straw and sipping the juice from the boat shaped dish along with ice cream that had melted. Jan will truly be missed.*
