“ *Jean was my Girl Scout leader for many years in Taneytown, and Karen and I were classmates. She was very dedicated to the Girl Scouts, and a wonderful, loving woman. God be with you at this time of grief and healing. Cyndy Andreas Shearer*

“ *I met the Fiscus family through their neighbor George Bagley (whom I worked with @Armstrong's Research Center) . In the early 1970's I lived in their efficiency apartment which formally was family members living quarters attached to their home on Mayfair Dr. May the family embrace the longevity of her life and all the memories along the way 💕*
