“ *We would like to express our gratitude and appreciation. Miss Jean has been driving my children safely on her bus since 2010. We never had to worry that our children were not in good hands. My youngest son gave her candy for Valentine's Day and she jokingly said to him...are you trying to make me fat!!?" My son found that quite funny!! We also tend to run late in the morning and Miss Jean would wait for us and reopen the bus door for my running son! We will certainly miss her kindness. Thoughts and prayers to her family and friends.*

“ so sorry to hear of Miss Jeans passing! She was the best bus driver and I am so thankful for her always getting our girls to and from school safely. My girls loved how she would always say good morning, have a good day/weekend, etc. She was such a nice person and we're blessed to have known her through the bus stop. Prayers and thoughts to her family during this difficult time. Miss Jean- you are missed
