“ *Mike,
I'm sorry I was unable to attend your mother's service on Friday but you know the high regard I held for both your parents and the good times we had together. At my age the memories of friends bring a smile to my face with the hope that the future holds some wonderful reunions!!

“ *Art & I so enjoyed our friendship with Jean. There were many lovely dinner dances, picnics, and holiday gatherings with much laughter & fun. Jean was always the perfect hostess who truly lite up the room for all of us. Her love, kindness, sharing and caring for others was endless. Few cross our paths that leave us with such an imprint to treasure.

“ I had the wonderful privilege of being her nurse for 3 years at The Glen. Her smile always lit up the room. We shared many snacks and talks and prayers together. What a life well lived. My condolences and prayers for the family. May God give you peace and comfort.

“ Jeans kind and caring heart often restored my faith in humanity. She also was like my second mother who showed unconditional love during some of my more care free years!
I'll think fondly of you forever Jean.....Dan
