“ I am the daughter of Rosene Brubaker. My mother lived across the hall from Jean for a few years at The Mennonite Home. Jean was always so pleasant to talk to during my visits. She took great pride in her decor and memorabilia in her room - and she was always dressed so nicely! I briefly met one, possibly both daughters, in the past. My sincerest condolences to the family.

I met Jean a little over a year ago. I live at Woodcrest Villa and I originally went to see her to help her write some thank you notes. I found her delightful company, and visited several times even when she didn't have a job for me. More recently we visited by phone as she didn't feel up to company. I enjoyed her company and was sorry to hear of her death. I will miss being able to talk to her. My condolences to her family. May God support you in your bereavement journey.

Sincerely, Carol Jenkins
