“ I was so sad to hear about Jeff. What a nice guy he was and so thankful I had the pleasure of knowing Jeff. My husband Don and I were so thankful to him for helping us move to our home in Mount Joy on a terribly hot and humid weekend back in 2002!! So very kind of him to offer his services. I remember being introduced to Jeff by our son, Don, who will miss his good friend greatly. May your good memories of him bring you comfort, and I will be praying for you at this difficult time.

*My sincere sympathy,

“ *To the Brown family:*

We send our heart felt thoughts and prayers. We first met Jeff while at Penn State. Jeff was working at fast Charlies in State College while going to school. It was one of the best places to go at the time and Jeff was the main reason, best bloody Mary of all time. Affectional knows as the "JB Bloody", I still can't figure out how he made it so good. We became friends and found out we were distant cousins on our Mothers sides. He have many great memories about Jeff, he attended our wedding and was always fun to be around. He will be missed by us as well as many others we all knew at PSU.

“ *I was shocked to receive this news! I knew Jeff because I was friends with Jimmy. I still look at him as a young kid. He was everything that others have mentioned and more. I don't think I ever saw him w/o a smile on his face. What a great kid that will be missed by all who knew him. Mr. Brown and Jimmy I am very sorry for your loss!*

“ I am so deeply saddened to hear this news. Jeff was a good friend and a great person to grow up with. So many fond memories and time shared like his love of his red mustang, plenty of times hanging out in his parents basement, dances and parties, senior week, and a Grateful Dead concert to name a few. My fondest memory was his easy going spirit. No matter how much time went by from seeing each other, we went right back to where we were. That's rare and will be missed. My deepest sympathy goes out to Mr. Brown and his brother. Peace be with you, both.

“ *I am so terribly sad to hear of the passing of Jeff. I remember many fun times in high school with Jeff and our gang... hanging out at night soccer games, parties in basement at our house with all of us, McDonald's, planting the tree inside the courtyard for our senior prank, and senior week just to mention a few. My deepest sympathy to all who knew Jeff and were blessed with his presence in your life.*
