“ *Jennie touched the hearts of my family in so many ways. Her contagious laugh and a smile that would brighten you up instantly. Her stories were like no others and she always had good ones to tell. I love her so much and will forever miss seeing her out my window. I'm so thankful for the special moments and memories we shared and will hold her memory close to my heart always.*

“ *I always enjoyed the days Jennie would bring her car to the shop to get worked on. She always was cheerful & smiling/laughing & she often brought something along to treat. Her sweet breads at Christmas time were the best! She would often have her sister with her. After she found out I had a baby girl, she brought a baby gift. A sweet giving lady. Wishing you God's comfort as you go through this difficult time. -Marylyn Leinbach from Zimmermans Garage*
