

Jere John Schuler

September 30, 2017

Jere John Schuler, 58, of Ronks, PA, husband, father, son, brother, was surrounded by his family when he entered into rest on, Saturday, September 30, 2017, after a lengthy battle with Cancer at the Hospice and Community Center of Mount Joy. He was a man with honor and dignity.

Known as “Bip” to his family and friends, Jere was born in Lancaster, PA on October 16, 1958 to Jere Waddell Schuler and the late Margaret “Peg” Sarah Newman Schuler.

Bip was married to Sharon Wiker Schuler on the beautiful island of Maui 14 years ago. They have enjoyed sharing a home in Lancaster, PA and Atlanta, GA during their happy years.

Jere was a 1976 graduate of Lampeter-Strasburg High School where his interest in investigative work was first noted as a reporter for the high school paper “The Limelight” investigating and writing stories from the community. He also featured an article titled Limelight meets “The Man” about his experience during a two-hour ride-along with the Chief of West Lampeter Township.

His interest for law enforcement would have to take a back seat to his love for sports. After pitching a no-hitter in his first start for the Bunting Oilers in June 1972 his athletic career would become a priority. After making all-star on all

three teams; baseball, football and basketball during his high school years, he received many athletic awards to include “Outstanding Senior Athlete” and was named the 1976 Lancaster Intelligencer “Athlete of the Year”. He was also inducted into the Lampeter-Strasburg Baseball Hall of Fame. Following his senior year in high school, Jere had to choose between an offer from the Cardinals to play baseball and a scholarship from Penn State to continue his studies while playing baseball.

At the young age of 17, Jere chose The St. Louis Cardinals and was drafted in the third round of the Professional Baseball Draft. He played for a number of years until an injury brought him home to start his second career of law enforcement.

Jere attended Millersville University and subsequently graduated from the Harrisburg Area Community College Police Academy. He served as a member of the West Lampeter Police Department, retiring after 30 years of which 27 years were devoted to being sole Detective of the department. He was also part of the Major Crimes Unit, where his quick and decisive interviewing style was greatly appreciated. Jere enjoyed working alongside law enforcement officers throughout the region on the Major Crimes Unit.

Jere will be recalled as a creative storyteller but will be long remembered for how he stood for what was right and what was decent; by his moral standing and his need to cause benefit for all and to exalt his community through his living as a peace maker and a crime stopper.

In addition to his wife, Sharon, Jere is survived by his father, Jere W. Schuler (Renée) of Lancaster, PA; his daughter, Shanna Schuler, and her son, Kennan, of St. Petersburg, FL; his sister, Stephanie S. Lininger (William) and their daughter, Taylor of Lancaster, PA; and his step children, Chloe Peru Blalock Wiker and Jack Oliver Blalock of Atlanta, GA.

Love You Always and Forever.

Honoring his wishes, there will be no services.

“ The Devine family send our love, prayers and deepest condolences to the family and all that knew and loved him. Though I didn't know him well, he always had a smile and a warm "Hello" from when we passed in the halls of Lampeter Strasburg High School, and when we passed on the street. Rest in love with your beautiful Mom!

“ Our deepest sympathy to the Schuler family on the loss of your beloved husband, father, grandfather, brother and son. I have many memories of the fun we had together in high school. All of L-S was proud when Bip was scouted for the big leagues but we were also happy when he came back to Lancaster. Those of us in the Class of '76 were also thrilled when Bip and Sharon got together. I pray that God brings you comfort and peace, and blessings as you all go forward with him.

“ *The Jane Enck family is thinking and praying for Bip's family during this time of loss and grief. While Bip was a part of our family he brought many good memories that we will hold onto forever. I was always impressed with his family values including my mother on trips to the beach and support during tough times including my husband's devastating accident.*

While his loss is difficult, we pray that your fond memories will help you to ease the pain. Hoping you also find comfort knowing he is with his Mother who he loved so dearly.

Our deepest sympathy

“ *I played all three sports with "Bip"... to know Jere is to spend time with him in the huddle, on a "meeting on the mound" or in the locker room..... He would constantly crack us up with his great sense of humor and his imitationsA true star athlete who at 6'5" in those days were rare... a true gangly lefty with a rifle arm.. What a great guy.... He will be missed, but those in heaven are hearing some great stories and having some laughs.... RIP BIP!!!*

My heart is broken in pieces. I miss you Dad. I never got a chance to say goodbye. I love you so much. I wish you were still here. Keegan never got a chance to meet his Grandpa. And were doing so good! I just wanted to make you proud. Now I'll never get that chance because your gone. But I know your smiling down on me in Heaven. Jesus please give my Dad a hug from his daughter Shanna. I love you Dad!

“ *To the family of Jere John Schuler. My name is Luther Henry, I was with the Lancaster City Police Dept. for almost 26 years. I do not know if Jere Sr. will remember me, we were schoolmates at Edward Hand Junior High back in the 1940s. I do remember running into Jere Sr. up at the State Capitol some years ago when he was a State Representative. I only met your Son Jere one time. He joined the West Lampeter Dept. after I had left the Lancaster PD. I met him at a gathering held for the retiring Chief of West Lampeter, Jim Daecher, who was a long time friend from the Lancaster Police from which he had also retired after a long career. I chatted for some time with Jere and was very impressed by him and his easy going demeanor and his apparent knowledge of police work. Jim Daecher also had good comments about his abilities and his value to the Police Dept. I send my deepest sympathy and condolences to the family and to Jere's wife and children. May God grant His peace and comfort to the family*

“ Sharon, This is Bob BODNAR. Bipper and I have been friends for over 30 years. He worked for me as a sergeant at the jail in the early 1980's. We have stayed in contact over the years and my wife and I had a birthday dinner with you and Bip a few years ago. Bip and I were daily text and email companions the last several months and I hope I added a degree of comfort during his last weeks. He told me he was going into the hospital...asked me to visit for an hour, but then quickly withdrew the invitation. I respected his wish for privacy. I don't have your current address to mail a card, but please accept our deepest condolences. You all are in my thoughts and prayers. I will miss Bip's wit, humor and discussion of current events.. I smile just thinking of all our adventures together. I know he will be waiting to greet me when my time comes. GOD Bless.

“ I first met Bip after moving back to the Lancaster area over 25 years ago from Florida. During our first conversation, we realized that I would have had to have called some of his games pitching for the Cardinals in extended spring in St. Petersburg as I was a professional umpire there also. Several years later we met again. This time when he was the investigating the apartment fire in which my mother died. He was so kind and caring and helpful to me during that time. My sincerest condolences to all the family for your loss of Bip...a very good man.

“ Jere:

I was so sorry to hear about Bip's passing. I did not know he was sick until my brother Mark said he had heard from a fellow member of the social club they both belonged to. I had the opportunity to talk to Bip about two years ago with an issue we had with my nephew. He was very friendly helpful and informative.

I probably had more athletic contact in Basketball than any other sport back in high school. Scrimmages during high school season and pick-up games outside the Middle school on a less than ten foot basket where we both could dunk.

I see he was married to Sharon Wiker. Is this the one from L-S. If so, I remember her from band. Relay my condolences to her as well.

May faith, time and memories help heal at this time of loss.
