“ *Jermaine - you gave your love of God and your spirit to others in such a positive way. You will always be remembered a a strong woman who held others together in their times of troubles and need. We shared September 28 together at LGH giving birth to our youngest children . Deron looks so grown up now in pictures. I have the fond memory of you and your family having a picnic dinner with me in my backyard as the kids played. Rest In Peace ... you are loved!*

“ *Jermaine will be missed by many. Whenever you came in contact with her, she always had a beautiful smile on her face. We sang in the choir together at Ray’s Temple COGIC and what a time we had. She was such a blessing to the body of Christ. Always willing to give a helping hand. God has gained an Angel. Take your rest. Matthew and Johnson family you are in my prayers. Be Blessed*

“ I met Jermaine and her entire family when they first moved to our neighborhood on East End Ave. Jermaine loved to laugh and we always went to church together. I remember we were visiting a church in another town and Jermaine said she would follow me and this was the time when they began making those traffic circles, which today, I still don't like LOL, so as we entered the traffic circle, I exited and Jermaine kept going. My heart sank because I didn't want her to get lost and in those days, we didn't have GPS or cell phones. When I looked up, there she was. I said “thank you Lord for being with my friend”. When we finally reached our destination, we laughed and laughed about the situation. Jermaine has always been a kind and loving soul and for sure Heaven has gained a BEAUTIFUL ANGEL. Family, I love you and will continue to pray for you during this time. Jermaine will always be in my heart❤️❤️❤️❤️❤️
