

Jesse Thomas Drobnak

July 17, 2023

Jesse Thomas Drobnak was taken unexpectedly in a car accident on July 17th, 2023. He leaves behind his loving wife, Lindey, their two sons, Brody and Wesley, their daughter, Angela, his parents, John and Jennifer, his sister, Sarah, his maternal grandparents, Thomas and Sharon, and paternal grandmother Lucy. He was preceded in death by his brother Marshall, Uncle Bill, and paternal grandfather, Bill.

Jesse was an intelligent, strong, and hardworking man. He was passionate about his job. He loved everything about demolition. It was a career path that he chose very young and stuck with his entire life. He obtained his Class-A CDL license and started driving truck, and flourished even more in his career. Jesse loved his trucks. He loved shifting gears to a good country song or some old school rock. He excelled in operating heavy machinery, and was quite the perfectionist down to the very last detail.

When Jesse wasn't working you could find him living the simple life with his wife and kids. Spontaneous camping trips, road trips, taking his kids to the park, he was always doing something to make sure his family was provided for and having a good time. One of his favorite parts of his daily routine was tucking his kids in at night. He would make them laugh, and make sure that they felt loved. He loved the beach, the sunshine, music, and living life to the absolute fullest.

Jesse was a man who would never hesitate to give to someone in need. He was always smiling. Wherever he went he was a happy, optimistic, lighthearted soul who would talk to anyone who crossed his path. He was a wonderful father, a cherished husband, a loved brother, son, and grandson. He was also the best friend that you could ever meet. Jesse was the type of man to always encourage your dreams. He was a one-of-a-kind man who will be greatly missed by everyone who knew him.

Relatives and friends are respectfully invited to attend Jesse's Celebration of Life at the Historic Fred F. Groff, Inc., 234 W. “ *The LORD Blessed me by allowing Jesse's and my path to cross back in Late August of 2008. Jesse was "One of My Boys" in the Lancaster County Career & Technology Heavy Equipment Operation & Basic Maintenance Program and we got to spend his Senior Year Together. Jesse and I hit it off right away and we worked well together so that I could teach him as much as he wanted. He had an ATTENTION To DETAIL that showed itself whenever he was assigned a project. I can remember him and I connecting whenever I told him of my Reading difficulties and how I was able to gain control of my situation. He was very quick in telling me that he had the same difficulties, and he was going to try what worked for me. I can still see the happy expression on his face a few days later whenever he told me that he tried it and it worked for him. I can't express how difficult it must be in losing Jesse, but I can tell you how sick I was on hearing the news on WGAL. Jesse was taken from us way to early. I pray that the GREAT MEMORIES of Jesse help get ALL OF HIS FAMILY through these next few months and years. May God Welcome him HOME and the PEACE of OUR RISEN LORD be with ALL of His Family, with deepest sympathy,

“ *Sorry for your loss. Jesse always had a smile on his face and loved his job. Never was there a time he came into the scrap yard when I worked there he wasn't smiling and talking about his niece he was helping take care of. Prayers to the family.

“ *I will always remember Jesse's smile! Just like his dad, contagious. And I'll always remember going to Chucky Cheese with them as a kid. He will be missed dearly by so many.*
