“ *Jesus was a volunteer at Milagro House when I was still Executive Director and, to be honest, he was one of the most dedicated and committed men I have ever met. Such a good man! So loving, so helpful, so aware. He always took his time to make sure that the women and children of Milagro House had exactly what they needed from the wonderful donations that we received from the community. When he was sure we had all we needed, Jesus would contact others who he knew could use the clothing, household items and food that was in such abundance at Milagro House.*

*It is no accident that I checked the internet for news of Milagro House today, of all days. I am grateful to have the opportunity to share with Jesus' family and friends the fact that he was - and I am sure, still is - an extraordinary man and friend. May God Bless him and give him plenty of work to do!!*

“ *Jesus Ruiz was a phenomenal human being. His joy, his love for Christ, others and the community are amazing features that Jesus had. He was one great servant here at Teen Haven, from mowing our lawn, to raking leaves, washing company and at times staff vehicles. He is truly going to be missed by the staff and all the students here at Teen Haven that he impacted by his servant attitude, he was a grandfather to many. We will miss having him over for a volunteer appreciation lunch, giving him a sweatshirt, T-Shirt, etc as a gift for Christmas. It was truly a pleasure to know this man of God and the light that he was wherever he went will never go out. He was and is truly a light to our dark world. Now he gets to be with the Light of the world (knowing Jesus Ruiz he's probably trying to wash the streets of Gold or Jesus feet. LOL, that man couldn't be slowed down, he enjoyed life to the fullest each and every day. He was a man with no regrets, he was a man that was thankful to have life. What a great neighbor, what a great friend, what a great volunteer, what a great servant of Christ, we had the privileged of knowing.*
