Her Journey's Just Begun

*Don't think of her as gone away her journey's just begun
life holds so many facets this earth is only one.*

*Just think of her as resting from the sorrows and the tears
in a place of warmth and comfort where there are no days or
years.*

*Think how she must be wishing that we could know today
how nothing but our sadness can really pass away.*

*And think of her as living in the hearts of those she touched
for nothing loved is ever lost and she was loved so much.*

Love You!
