

Joan Mary Scott

August 8, 2021

It is with very heavy hearts that our Mother / Nanny, Joan Mary Scott, age 86 of Lancaster passed into the loving arms of her Savior Sunday, August 8, 2021 at LGH. Born in Peckville, PA on January 30, 1935 one of 9 children to her parents, Robert & Mary McConnell. She celebrated 65 years of marriage in January 2020 with her husband, Al Scott, Sr. who preceded her in death March 2020.

Her source of pride and priority throughout her life was her family. She gave without expectation of anything in return, loved us all unconditionally and was an example for all of us of everything that was good. To treat everyone with respect, honor them for who they are and set no boundaries as to the extent of ensuring that family remains our focus. We each will carry part of her with us and live on as her legacy. Just one smile from her let us know that everything was going to be ok. We felt so blessed and honored to be loved by her and to love her in return.

She will be overwhelmingly missed by her family, daughter, Carol McCoy (Greg-deceased, Lancaster) son, Al Scott, Jr. (Deb-Lancaster) grandsons, Randy Scott (Jess-Phila.) Ryan Scott (Tina-Etters, PA.) Richard Scott (Stacey-Lancaster) step-granddaughter, Angela Diguglielmo (Steve-Palmyra), five great-grandchildren, Rylie, Averi, Jaylin, Miles and Noah and two step-great-grandchildren, Kaedie and Emma.

A celebration of her life will be held privately by her immediate family at a time and date yet to be scheduled. In lieu of flowers, those desiring to honor her memory please send contributions to Hospice & Community Care.

*You are so welcome. So very sorry for your loss. Grandma Gladys spoke of your mom often. I am Alice's daughter-in-law. Please know that we will be thinking of you in the days to come.
