“ *Dear family and friends I have been a friend of Joanne for many years. I will miss her and am so glad I shared many happy memories with her and her husband Ron. I enjoyed our coffee times at her kitchen table and playing pinochle with them. We enjoyed family cookouts and many vacations with them. Life with Joanne was always fun and we shared many fun times through life. The last few years were hard because I lived in NC, but we always kept in touch. Covid hurt our time together but we still had phone conversations and our love for each other never failed. Love you so much Joanne and happy you are now w in a good place and at peace. Say hi to Ron for us. Your friend until we meet in Heaven. Pat Jones and your friend Bill Jones*
