“ Go rest high upon the mountain oh good and faithful servant. You are now pain free and finally with the love of your life.

“ Joe is one of the 2 Christian brothers that were the biological brothers I never got. My oldest daughter thinks of him as an uncle. From 1997 to 2000, Joe's , Curtiss Pemberton's , and my family would do things together on Saturdays and after church on Sundays. The main thing we would eat on Sunday afternoon was Papa John's Pizza on my employee discount. I miss hanging out with them. The day I found out Joe was gone. I said " Joe, save a place for me and my family next to you and Denise."
