“ *I have nothing but good memories of John the years I worked at ATC. He always had a smile on his face and a positive attitude. My most sincere condolences to his friends and family.*

“ *Jean, I'm so sorry to hear of John's passing. I have so many good memories from ATC. John was a great boss with an equally great assistant.*

One day on the way to work a tractor-trailer tire blew out right in front of me. The explosive sound frightened me half to death. When I got to ATC my hands were shaking. I asked John if he had any whiskey in his desk. His reply was, "That's against the rules, and any time I break rules I get caught, so there's no whiskey!" with an apologetic grin. He was definitely one of the "good guys".

Loss is hard, but we go forward one day at a time. Remember the good times and take care of yourself.
