“ *Hi Dad. I still love those eyes. I truly do think about you often. I also recall all the great and wonderful things you've done for me growing up.*

I will always remember being able to be there for you when you needed

me. After all, you sacrificed for me growing up and it was the least I could do for you. I miss you mom, Jesse and so many other's.

But I know you are great up in Heaven. Thank you for what you showed me when you left. It was at that time I knew you were ok.

I love you dad and miss you.
