Hello Patti or Jane, you don't know me but I was trying to find my dad's family. I'm Johnny's cousin, my dad was cousins with Fay. My grandma was Dorothy Reese Evans, Aunt Glady's sister. Im so sorry to hear Johnny passed away I was trying to track him down, it's been 50 years since me and my siblings have seen him. My name is Karen (Evans) Bratt. I would love to connect. I live in Plano Texas. I would like to know if Fay is still with us.
