“ *Dear Ella and Family*
I wish to give you my sympathy for the loss of Jack. I'm sorry that I had been unable to come to Jack's memorial service, but I didn't have any transportation. I remember Jack in my Spanish class at Hempfield High School years ago, visits at John Clark's house and worshiping together at Concordia Lutheran Church. May God give you courage especially at this time. We are thankful that we will have the hope of seeing him in heaven. God bless you all!
Sincerely, David Zimmerman

“ *We were together from early years with all the Millers. Aside from being distantly related, we were good friends. Picnics at Long park either 4th of July or Memorial Day were fun times. Remember putting caps on trolley tracks and listening to the bang/bang noise when the trolley cars went over them on the 4th. Always were happy days and can't ever remember disagreement about anything. Loved him and Marian and I treasured our get togethers. I'm sad that he is gone. Happy that I had a chance to visit FaceTime with him and David. Much love to all.*

“ I had the great privilege to work with Jack in the Corlon Department of Armstrong. I was the Chemist there, at the time while Jack was a production supervisor. Jack and I enjoyed teasing each other. But he always was thorough in his work. He made work life much more enjoyable for me. Jack also spoke often and well of Marian. His passing brings back many fond memories of his contribution to my life.

My condolences and prayers are with you.
