“ *So sad to hear of John's passing.....the man I knew was sweet, caring and his humor was very commanding. I haven't see John for a couple of years and will remember him with his sweet smile and famous chuckle.... sending love, prayer and God's Blessings to family.*

“ I was just talking about John the other day. John was a DM when I worked in Store Operations. I love his humor, the stories he told and knew he loved his kids. You were a great guy and when I talk about the good ole days at work, your name will be in those conversations. God bless.

“ I'm so very sad to hear this news. I have nothing but respect for John. He was my DM the early part of my career with the PLCB, so many GREAT memories. He made going to work an positive experience as well as an enjoyable one. I'll never forget when he asked me to watch his office phone because he needed to leave for the birth of a Grandbaby.. I'll never forget how proud and happy he was! I send my deepest condolences to all.

I was so sorry to hear this news. John was the district manager in 2-1. I was the assistant regional manager in region two. We had many good times working together even back when we are both store clerks in Lancaster County

What a great boss. He hired me thirty years ago. He was such a terrific person to work for and had the greatest sense of humor. He was very respected and admired. Thanks for your guidance John. My deepest sympathies to his family.
