“ Jordan was my first cousin, but was also like a brother to me. My children spent many summers in his company and with my aunt Anita. My deepest condolences to our entire family. You will be missed. RIP. Love Elsie Casillas.

“ *I still can't believe this is real. There was not a kinder man. My family and I won't visit wildwood again without shooting zombies, eating macks pizza, or going to the hot spot with out our hearts being very heavy. I will always remember him saying before left the beach each time we had to leave all of our worries with ocean and once we said them all we couldn't turn back around and look at the ocean. We are sending many prayers to his kids and grand kids we know he was always so proud of. Rest In Peace my friend ❤️*

“ I am deeply sorry for your loss. My loss too, though we wasn't raised together but my stepbrother came around alot while I still lived at home with my mom and his dad Jaime. I still can't believe my step brother is gone but if there is one thing that I will carry in my memory of him is how funny he was though he had a temper. I remember a time in his backyard pool, he threw a whole bunch of quarters inside the pool for my cousin , sister and I to go dive in and get them but my problem was I didn't know how to swim but Jordan grabbed me and threw me in the pool anyways and thanks to him I learned real quick how to swim lol I also remember still living at home, He will come around and give me money or a store certificate from my favorite clothing store so that I can buy myself some clothes, because he wanted to make sure I was well taken care of. He also has given me advice as a brother over the phone with my day to day problems this past year and as busy as he was to take the time to do that, that meant alot to me. He'll be greatly missed from all of us because I know we all have some good memories of him but we will take with us those good memories forever in our hearts and minds. I love you Jordan, your step sis Lily.
