

Joseph V. Penderghest

November 14, 2014

Joseph “John” V. Penderghest, 40, formerly of Ephrata, was taken from us unexpectedly on August 9, 2014. John was unable to overcome the troubles of this world, but he is now at peace in heaven with his Lord and Savior Jesus Christ.

John was a brilliant young man who had thirst for knowledge. He enjoyed working in the aerospace industry and couldn’t resist a good debate. John loved Harley Davidsons and hanging out with friends.

John was fun to be around and had an adventurous spirit. He traveled to Alaska and Sturgis, making friends and memories along the way. He was also an aspiring tattoo artist. His memories will live in the tapestry of his friends.

John had a kind heart and cared deeply about others. He is dearly missed.
