“ I’m so sorry to hear that Joe passed away. I worked with Joe way back in the Eckerd days at the store near the towers in Newark. Joe was an awesome guy. He was always smiling and telling stories. He took great care of his customers and they loved him. I’m sorry for your loss. RIP Joe

“ I send peace to Joe's children, extended family and friends. I had the pleasure of working with Joe for 5 years. He was always kind and funny and the CVS family loved and respected him. He was loved by the customers of the pharmacy and literally served thousands of patients in our community. I respected his pharmacy expertise and often consulted with him regarding medication. I will miss him! Rest In Peace Joe💜

“ *To the Stratton Family,
My sincere condolences. The times I had with
Joe were all good ones.
His love for his family was unconditional. He
was a good provider to his family. Always
putting his family 1st. Even when you stopped in at his job. He made
time to talk to you.
I think that was the only time the man got a break from work. It was
great to be at 1 of his daughters destination wedding. And actually
getting to spent sometime with him.
Save me a spot Joe. Because I am going to have a hell of a time
getting in them gates.
