“ Dear Hibshman Family,

*I read of the passing of your loved one and wanted to express my sympathy to you and your family.*

*Although we do not know each other, I remember when I lost my best friend some years ago. The condolences I received from those I didn't know was very comforting to me. Therefore, I decided to do the same in hopes that it might add to the comfort you receive from family and friends.*

*2 Cor 1:3,4 assures us that God comforts us in our trials. May you feel this aspect of God's love during this especially difficult time.*

*Sincerely,*

*Lona C.*
