“ *I saw Joyce when I visited my mother at LHN. She was always ready with some news of the day. She'd drop in to visit my mom or call to pick up something from the store for her. An avid Barnstormer fan, she rarely missed a game. Joyce sent the most beautiful cards on any occasion. She was a friend and I believe my sister in Christ... that means I'll see her again and for all eternity.... so long for now Joyce.*
