“ *My dear, sweet, funny lifelong friend..... Where do I start!?! I have so so many awesome memories... When we hung a dummy from the "12 o'clock" tree and then laughed our butts off when a car stopped and thought it was a real person, sleeping out by the barn where "Aunt Alice" got grinded up by the machinery and it was haunted by her lol, and when Brenda (Buck), Cindy(Bird), Suzy and I would go thru your ashtray to smoke your cigs that you outtended half way thru, sheesh! And then as an adult cutting your long beautiful hair, and doing our makeup together when you were living at my Mom's house. So many good memories, naming your son, Tommy, after my ONLY BROTHER, who passed away when he was 21 years old and last, but, certainly not least, our 45 minute conversation, I'm so thankful now, that we had only 3 hours before our Lord called you home😭 I'll always cherish the memories the rest of my life and I'm so thankful to have known you my whole life!!! Never a dull moment❤️ I love you and will miss you forever until we meet in heaven my dear, ever so funny, lifelong friend🙏*

Lots of memories from school and living a street apart from each other as teens. We had good times my sister Debbie myself and Deb Graeff ,we all hung out together. So sorry to hear you are gone so soon just as your brother Steve and sisters Brenda and Cindy. You will be missed. But reunited with your family members now❤️ Blessing and prayers to the family. Take comfort in knowing she is with Jesus now sitting at his feet😊

So sad we really did not get to reconnect since we both moved on the same street in 2020. We had our memories from the past. May you Rest In Peace and you will always be in our hearts. Until we meet again.
Your neighbor and friend, Lynn B.
