“ *My deepest condolences to the family for this tremendous loss. May the words found at Isaiah 26:19 bring you comfort in knowing that you will one day see Judy again.*

Isaiah 26:19 "Your dead will live. My corpses will rise up. Awake and shout joyfully, You residents in the dust! For your dew is as the dew of the morning, And the earth will let those powerless in death come to life"

“ I remember when she always told me to keep pushing myself to be a great cheerleader another one is when my brothers went to show her a frog Hunter caught and she said "Aww that is a cute frog." The cat picture of her was all me and was showing her something. I remember another thing is when we went to Friendlys and I always said I'm hungry and they would say I'm thirsty that is what her and mama always said to me. There are other things but I don't really remember them because I was young when she moved in with mama but I still remember one thing she told me and no one else heard her tell me this always push yourself and you will become better and better. I love you Nanny you will always be with me no matter what. 🥹🥹🥹🥹🥹🥹💖💖 From Kayla

So sorry to hear of my dear old friend's passing. The years separated us as we got married and had our families, but the memories I have of two silly teenage girls riding around everywhere in my Dad's truck and the many dances and parties we went to will never be forgotten. I still live near your family home and think of you when I drive by....we were "so smooth". Be with God dear friend.

*Judy was great mother in law, she was more fun, and stubborn. but whew ee, when she got a stubborn streak.... she would frustrate me but all i could was laugh to myself.
Kim told me she was always worried that when i got going on projects she would say, "he has not eaten all day he needs to eat!
we will miss you !
Love, Mike*
