“ I will forever hear Julie's laugh and lovely voice. She truly was one of my first friends when we moved to Lancaster and exuded a youthfulness and grace I will always cherish. I loved her eagerness to show me the markets and out of the way restaurants in the area! Just thinking about her makes me smile and feel peaceful. She loved you so much Betsy. May you find solace knowing she will always be in your heart.

“ I was saddened to hear of Julies passing. I remember very clearly of her bringing Betsy to the credit department soon after her birth and being the first bank employee allowed to hold her. May she rest in peace. Don Derstler
