

## June Goyne Corotto

April 4, 2016

June Goyne Corotto died peacefully on April 4th, 2016. Born in Ashland, PA, she was a daughter of the late Lucille (Gramley) and Thomas Stuart Goyne. Her husband, Frank James Corotto, died 21 February 1997. She is survived by her children, Gina Kramer of Easton, Lisa Pignataro of Ephrata, and Frank Stuart Corotto of Dahlonega, Georgia, and by her eight grandchildren, Jonathan Kramer, Sarah Besse Morgan, Jordan Kramer, Laura Deutsch, Nathaniel Kramer, Erin George, Abigail Ketner, and Becca Green. Surviving also are her great grandchildren, Lauren, Evan, Jocelyn, Ryan, Sydney, Caroline, Bella, Jordan, Olivia, Mollie, and Ellie. June was predeceased by her sister, Virginia Merkin, in October of 2010.

June was a member of Trinity Lutheran Church in Lancaster. During her lifetime, she had been a Sunday school teacher at the United Church of Christ in Willow Street, a Brownie Scout leader, a Red Cross volunteer at Lancaster General Hospital, and a member of the Lyndon Auxiliary of the Lancaster General Hospital. She helped with the Anchorage program at St. James Episcopal Church for 26 years. She was an ORCA volunteer since 1997. She enjoyed art and was asked by Katherine Hepburn to paint her house in Fenwick, Connecticut, which she did in 1985.

June travelled to Cornwall, England, her ancestral home, many times. She also travelled to Ireland, Wales, Greece, the Aegean, France, Israel, and

Egypt. She participated in an archeological dig in Israel in 1985 where she made lifelong friends. Her passion was history and prehistory, mainly British, Egyptian, and Biblical, and her family's history.

During her early years, she collected the antiques, documents, portraits, quilts, and toys from the attic of her grandparents' house, many of which had been there from her great-great-grandparents' lifetime. She donated most of these items to the Penns Valley Area Museum in Centre County. She enjoyed the idea of these beloved family treasures going home again.

June found a life that suited her - work that interested her, houses she loved, good friends, the company of her cats, and most of all, time with her family.

Services will be private. June's preference is for contributions in her name to go to Hospice, ORCA, and Heifer, Int'l.

“ I was so sad to read of the passing of your mother. I was hoping to see June again this summer as I have done so often in past years when I visited my Uncle Bob in Lancaster.

*Truly, always a lady and so very talented. She was special, we always had such memorable and wonderfully long conversations either on the phone or at her home.*

*I will miss her, she will always be part of my Lancaster home memories.*

*With warm regards to her family she always spoke so highly of, and especially those grandchildren,*

*Sincerely,*

“ My heart is broken, but the great spirit of my friend of 57 years will heal it with her love and friendship and yes, her very soul. On the 4th of July 1959, Frank and I moved into our first home in Media heights. Everything we owned fit into a pickup truck. Then, this simply beautiful girl came by to help, and being June, she brought us wonderful lemonade, cookies, and sandwiches.....and wasn't that a great welcome? That was June - and her sweet husband also helped . Frank Corotto once drove all the way to Children's Hospital in Boston to bring my little boy and me home. And back in 1970...he did it on EASTER SUNDAY!  
We were like sisters all these years and kept in touch always, no matter where we were.  
At peace now, she will look down on us from her seat at the right hand if God. She is out there amongst the billions of stars, shining her gentle light on us all. Never doubt it.  
Because she always was and still is, Stardust Star: Love from Noreen and family in Colorado, And you will always be part of us all my dear June.

*With sincere sympathy to June's family. I will miss June and her gentle spirit. Since I married an Ashland guy, we often spoke of Ashland. Interesting that there are a few people at Holy Trinity who have connections to Ashland. Will keep you in our thoughts and prayers.*

*Today I purchased a lovely folk art print, detailing a New England coastal scene. There was a photo of a young woman on the rocky coast. I searched the web hoping to connect with the artist. Thus, I was sad to learn that June Corotto passed away almost a decade ago. Although I never had the chance to know this lovely person and gifted artist, I wanted to share how very much her legacy lives on.*
