“ Awilda and family- what a kind soul Justin was. Just last week as I was passing your house, I started thinking about Justin. I was remembering the time he and my son caught that huge fish in the creek. They were only about 9 years old and beyond excited about it. Just one of many happy memories of Justin. He was a very good person, so thoughtful and sweet. I was so sad to hear of his passing. You are in our thoughts and prayers. 💕

Amen Sandra! I enjoyed his presence in the HS cafeteria, at our homes, at sports and other school activities. Tim and I enjoyed chatting with Rick & Awilda whenever we met. I will keep you all in my prayers. May His grace & peace be poured out upon you all. In His Love - Cindy Kauffman

“ *My dearest nephew, I remember when your dad and mom brought you down to Florida after you were born, such a precious lil stinker you were. Fast forward a few years later (you were about 4) I remember you at Tio Roberts in the Bronx playing Dominoes with the adults, winning pretty much every game! You then blessed my wedding with your presence; which included your joyous smile and great dance moves! I also got to share in how happy you were at your own parents wedding :) You have touched our lives in many ways!! You are very loved and will be greatly missed!! We love you Justin Bonilla <3*

“ Justin you entered our lives a chubby little boy who took lessons of defense with my son, Tom. Later you came back into our lives as the boyfriend of my daughter Hunter. You always had a smile on your face or a grin because you were up to something to make us smile. I will never forget taking you to OCMD and watching you play like a child in the ocean or the way you checked the stove to see what I was cooking when you walked through our door. I thank you Justin for the smiles and the laughter and your kind heart and that is what I will not forget.

You live on forever in our hearts and memories. All of our love always, Lisa, Hunter Rose and Tom Myers

“ My Dearest Awilda, Rick and Bonilla Family. I'm sorry for the loss of your son Justin. May God provide your family with his unwavering Peace. May your memories of him be forever inbedded in your hearts. I remember Justin from his much younger days, from when I lived in Lancaster. I remember him and Josh playing and spending time together at your house. Justin was always a very polite and pleasant child to be around. But, what I remember the most was his amazing smile, and that he was always very happy. From my heart to yours. Praying for your family
