“ *Karlene will always be remembered as a kind, gentle person. I met her at the dental office and always knew she would come in with a smile. I could tell she was a good mother and wife by observing her husband and children. I will miss you so much but I know God wanted you there with Him. So until we meet again, it is not goodbye, just see you later!*

Never put off getting in touch with in old friend. I kept thinking it would happen. Either I would run into Karlene or we would give each other a call. I'm sorry to say that didn't happen. Oh the memories! We went together to TOPS for years and had so much fun! (I don't remember losing much weight, but we did have lots of laughs and a good time!). We used to walk around the ponds at Greenfield and even now when I walk there I think of Karlene! We had babies 2 days apart and realized years later that we were in LGH at the same time. Remember the joint b-day party we had for you and Ashley, Rachel? We went along to the beach and also took a trip to Washington DC. How your mom loved you 3 kiddos (and later her grandkids). I remember visiting your sweet grandma and Aunt Shelby (right down the street). I will miss your Mama and if you need anything Rachel, please let me help. Love you all.
