“ *My deepest condolences to the family for this tremendous loss. May the words found at Isaiah 26:19 bring you comfort in knowing that you will one day see Kathleen again.*

Isaiah 26:19 "Your dead will live. My corpses will rise up. Awake and shout joyfully, You residents in the dust! For your dew is as the dew of the morning, And the earth will let those powerless in death come to life"

“ Kathy was an amazing individual who, along with Dr. Davis, kept my husband by my side for 16 years. She was the calmest person to be around when your nerves were out of control. I am so sorry for her son who she talk of often. Also to dear Dr. Davis who I'm sure lost an incredible friend. So very sad to see that she is gone. Sue Dearolf

“ *I too am deeply saddened to learn of Kathy's passing. We worked together initially at St. Joseph's Hospital and then I joined her at Dr. Davis's office. While I was a very young oncology nurse Kathy inspired me to obtain my certification in oncology to which I continue to maintain. Kathy taught me how to start an IV and I will always credit her with my own abilities. She was caring and compassionate to all of her patients and I am grateful to have crossed paths with her so many years ago. My sincerest sympathy to her family and friends.*

“ So very sorry to learn of Kathy's passing. I worked as the lab tech/manager with Kathy and Dr. Davis in his Lancaster office for a number of years in the early 2000's. Wonderful, compassionate nurse and a great coworker. Please know you are all in my thoughts and prayers.
Sincerely,
Beth Bryant

“ I was a classmate of Kathy's from Collingswood junior high and Collingswood high school. Another classmate, Carol Topham Rachfalski, emailed me today with the very sad news of Kathy's passing. Kathy was a wonderful friend during our school years. I only have very good memories of her - always neat and well-dressed, smart, very funny, and a very regal color guard for the band. My condolences to her family and friends.

“ Kathy worked in my unit years ago, per diem, and while she didn't
have to, she always treated me like an equal. I was an aide, not a
nurse, but she treated me and everyone with the same respect and
care. She was a joy to work with. I'm truly sorry that she's no longer
with us. May angels sing her to her rest...
