

## Kelly Marie Flanigan

July 14, 2022

Kelly Marie Flanigan, 53, was received into the arms of Jesus on Thursday, July 14, 2022. Born in Lancaster, Kelly graduated 1st in her class at Conestoga Valley H.S. and graduated from the University of Pennsylvania.

She loved learning, especially the Bible. She was a Nascar enthusiast and a Flyers and Phillies fan.

Kelly had a strong faith, grounded in her love for the Savior, her constant companion and Friend. Thoughtful and caring, Kelly brought much joy into the lives of those who knew her. She was respectful and kind to all she met. A friend, upon hearing of her death, said Kelly was a “beautiful soul”. She will be greatly missed.

Kelly is survived by her father, George Flanigan and brother, Brad Flanigan of Lancaster; her mother, Sandy Shaub and husband Tim of Elizabethtown, PA; her aunt, Peggy Kish and cousin, Bill Kish of FL; her aunt and uncle, Lea and Jim Flanigan and cousin, Ashlei (Bryan) Lippincott of PA and eight nieces and nephews.

Kelly cared for and loved several Rottweilers as pets over the years and, in honor of her, you can make a donation to Rottie Rescue.

“ *I worked with Kelly for many years. When she left our office after her interview, I was asked my thoughts, I immediately said we needed to hire her as she was sun to dreary days, full of heart-felt love and happiness. I told her many times that she was an earthly and heavenly personification of what Jesus wants us to be. I thank God for bringing her into my life, and miss her dearly. Peace be with her and her family.*

“ *I'm a better person because of Kelly. She invested a lot of time leading a small home Bible study group. I always got the sense Kelly was a Bible scholar and her knowledge greatly surpassed mine :) but she never got frustrated when others were at different points in their comprehension or faith. Kelly's smile was amazing. I moved away from PA, but a few times a year Kelly and I would catch up with a long phone conversation. I always appreciated hearing her honest thoughts on life and our world. Kelly was also a card sender and sent me very thoughtful Hallmark cards when we bought a new house and my babies were born. We always finished our conversations saying "I love ya!" ... so, I love ya Kelly!*

“ Sandy, George and Brad, I am so very sorry for your loss. Kelly was a wonderful classmate and dear friend to me at Conestoga Valley. I have many fond memories of our time in classes, in Marching Band and in supporting various CV sports teams. My heart goes out to you and I hope that your happy memories bring comfort during this difficult time. With deep sympathy, David Good

“ What a beautiful person !! My heart is so sad Kelly has been our neighbor for 20 years. Kelly always had a warm smile and a friendly hello. She was the first neighbor to come introduce herself to us. Kelly loved animals fiercely, she had such a loving way with all her rescue dogs. I still can't believe that she is gone. I will forever be grateful for her friendship. We always looked out for each other, she was tiny but mighty . May god bless your soul and give peace to your family. I know that all of your dogs were waiting for you at the rainbow bridge . You will be missed,
