“ Kelly and I were children together, so I only remember her as a young girl growing up with brothers! I think that is what made her spunky and strong. I knew she was battling illness and loved horses from Facebook. My condolences go to her family and her brothers who I knew as well.

“ Hi I am sorry for your loss. I remembered Kelly from girl scouts. She was such a sweet girl full of energy. She always had a big smile on her face. Everyone enjoyed her company. We did do many things in scouts I remembered camping out the most. I also wanted to thank her mom for all the time she volunteered to help with the mount Joy scouts. I will be thinking of you. Sincerely. Beth gibble. Liggins

“ Kelly, you were a force for good. If not the rally for animals in need you cared for the sick, helped so many if us in time of need, and were an overall wonderful friend. Your wit and humor brought laughter into an otherwise dull world. You are missed by many but graced us all by letting us share a portion of your life. I know I am not alone when I say there will never be another. Much love.
