“ *Lafern was a caring and considerate friend. An honest and thoughtful response could be expected from her at all times. She's say what she genuinely felt or believed. LaFern was an excellent mother and wife and her love and care for animals provided a good example for her daughter.*

My Aunt Lafern will be missed. All my life since a child, her and my Dad, which was her brother would always talk on the phone. We all looked forward to Thanksgiving when she cooked us a delicious meal. Things change as we get older but my memory of it will last forever. Sorry for your loss Vicki..we both were blessed with good parents
