“ *I was saddened to read Landon's obituary in today's paper. My condolences to Sally and Anabel and Chuck and to the rest of the family. I feel so fortunate to have known him; what a wonderful man who contributed much throughout his entire life. I spent a lot of time today re-living some of the times we spent together at many events which we enjoyed. Please know that my thoughts and prayers are with all of you. I deeply regret that I am unable to be present at his memorial service. My deepest sympathy is with you. Shalom, Donna*
