We both want to extend to you and your family our sincerest condolences on Larry's passing. John worked with Larry at Armstrong when we first moved to Lancaster County 58 years ago. Ironically we now live at Luther Acres and would've visited had we known he was here. Please know you are in our thoughts and prayers 🙏🙏🙏🙏🙏.

“ I was fortunate enough to work with Larry as a young engineer at Armstrong. He showed me the ropes and was a great mentor. Larry was one of my favorite people to work with, and he made business trips to our plant locations much more enjoyable. He will be greatly missed.

“ Dear Sylvia (Sibby),
It has been many years since we have had a chance to visit, but I remember you and your family from long ago. Just want to send to you my deepest sympathy regarding Larry's death. I remember it was my father who first suggested Larry would be a good person to serve on one of the church boards at Bethany. It is certainly apparent that Larry took that commitment seriously.
Keeping you close in my thoughts and prayers in these days ahead. Some day wonderful memories will help ease your grief and offer comfort.
Most sincerely, Deborah (Debbie) Benson Everett, North Andover, MA
