“ I'm so sorry Barb . . . I recognized Larry's pic online and about jumped out of my chair . . . so sad. Larry had a wonderful life well lived!! He was my fave volunteer @ LGH . . . quick wit and always made me laugh really hard!! I saw you both about 4 years @ the dog rescue looking for a new pup. He fought hard to beat the big C . . . I admire him for that. My thoughts and prayers are with you now and in the weeks and months ahead. Hugs!

“ I have wonderful memories of Larry, Larry Jr., Michael and Roxanne in my life many years ago. Larry did have that rare ability to always see the bright side. He was always optimistic and down-to-earth. there were a group of us who worked with Larry at Hardee's and got to see the joyful person he was...along with having a lot of fun. I was privileged to have Larry in my life even though it was many years ago and I will always love him and his spirit and treasure the memories. Thoughts and prayers to his family as I know he is already making St. Peter laugh!

“ I worked for Dr. Parrish for 11 years and Larry was always a patient that I looked forward to seeing. He was always so optimistic and happy. He always had a smile on his face. The world will be a little less bright without his smile. My prayers are with you all.
