“ *Aunt Leah was the kindest soul and an Angel on Earth. She was my mother's (Betty Byrd) younger sister. She and Uncle Frank were "salt of the Earth" people and so fun to be around. Our family loved it when they joined us in Stone Harbor for a few days of beach time. They loved Mary and David with all their hearts. Rest in peace, Aunt Leah. You have been and will always be an example of how one should live their lives. Barbara Byrd Keenan*
