“ Donna, I am so sorry to hear of Len's passing. I dreamed of him just the other week and I told my daughter I wonder what ever bhappened to you two! I am very glad to hear you had 38 years together, it was a pleasure working with you in the data processing dept as well as being the one that Len always asked to type his programs! I truly wish I had known he was at SKH because I would have looked you up. I do hope you are ok and I wish many blessings on you my dear. If you read this and want to look me up, you can email me at patpenguin48@hotmail.com. Good luck.

“ Awwww! I am so incredibly sad to learn of this. Len loaded groceries in my car with a toothless grin and big hug weekly for many years at SKH.

I would arrive and walk across the portico with a big smile every time I saw Len. Then, I'd give him a big hug and ask how he was doing before shopping for my groceries. He was sure to be there when I came out on the other end with my cartload of groceries. On hot summer days, I'd buy him a bottle of water. On cold winter days, I'd get him a candy bar. He was a blessing to me! SKH will not be the same without him. He was a rare gem!

Though he never met my family, Len knew my boys, remembered where they went to school and who they were in love with. He asked about them regularly. I could have pulled my car under the portico, but he enjoyed walking to the car with me and hearing me talk about my ministry and my travels and all the people I met along the way. I have missed him for several weeks. Today (05/17) when I inquired they told me this sad news.

Rest in peace, my friend. You will be missed! Thanks for leaving a permanent mark on my heart ... the mark of kindness in all kinds of conditions.
