“ *So sorry to hear of the loss of Leroy! I went to Cocalico School with him and he lived in my trailer park. I didn't get to know him extremely well but he was always a quiet person in school and in the park. Of course you could tell when he would come home in the summer evenings cause you could hear that beautiful Harley coming through. Our thoughts and prayers go out to the whole family for your tragic loss! Tammy and Tom Shank*

“ *Linda and Terry, I had just heard of your loss. I am so sorry to hear this. Prayers are with you and the family. He was a special person. Although we lost touch with each other, I did manage to bump into him on several occasions. I have great memories that will always live on. He suffers no more and is at peace with our lord.
