“ *Dear Patsy and Lewis and families, Your loss with Lew going Home to be with the Lord is Heaven's gain. Lew was a man of such fine character.....always positive, never a harsh word, never complaining, kind, and always thanking and praising the Lord. As I told you, Patsy, I believe I'm a better person having known Lew. May God show His loving Grace to you and Bless you. Sincerely, Bill Thoner*

“ *Lew and Carolyn, Sorry for your loss. May God give comfort and peace during these troubled times. We remember your friendship when you lived across the street from us on Cindy Circle. We probably met your dad when he worked for you. We still live at the same place. God has blessed us and our family in many ways. Would love to touch base with you again. God be with you all.
