“ Aunt Linda was always there when we needed her? We spent many summers staying with her and uncle John, and we always had great adventures going shopping!

“ My condolences to the family of Linda. I met Linda one day at her fence while I was working in my yard. She took great delight in the beauty of a neatly kept surroundings and loved spending time outdoors. I remember the day she had the pool removed since they weren't using it any longer. Linda was a great caregiver. I used to visit a friend in her neighborhood and witnessed her love for her son. May God comfort her loved ones.
