“ I saw Linda come to work every day with a smile on her face. I saw her give her best every day. She was very dedicated to giving of herself to others through her job. She was a woman of God who lived her life in service to the Lord and others. It was a blessing from the Lord that we at The Salvation Army had the privilege to work with her and know her. I thank God for that.

“ Linda was an inspiration to all of us! We were her Salvation Army family, and she was the "heart" at the Family Services Office. She was a true example of faith & joy in a believer of Christ. Her persistence, resilience & perseverance in the midst of very difficult circumstances was an example to all of us. And she did it all without complaining but with a beautiful smile on her face! A client came to our office to bring a rose to Ms. Linda and finding out that she was no longer with us the client started to cry. That is a testimony of what she meant to so many! It was a privilege to have her with us and our lives will never be the same because of her influence. Having her work with us was not by chance, it was all orchestrated by our Creator! She was so loved and still are, and we will miss her but one day we will meet again before the presence of our Heavenly Father! In the midst of grief, we still rejoice because now she is completely healed! Love you to the moon & back Ms. Linda! Your forever friend, Jackie Ponton.

“ *Linda was truly a blessing to our entire team here at The Salvation Army. She had a beautiful gift for caring—a way of seeing people, loving people, and making others feel valued and supported. Her kindness was not just something she offered; it was something she lived every day.*

She loved her family deeply, and she loved God with a joyful, authentic faith. Her laughter, her warmth, and her radiant smile brought light into every room she entered. We know we will miss those precious gifts for a time, but we also rejoice in the promise that we will see her again in Glory—never to be separated again.

As we grieve this loss, we continue to lift her family in prayer. May God surround them with peace, comfort, and strength.

God bless.
