“ *Cousin Lois I was saddened to hear of your passing just yesterday from your Daughter Denise in Florida. I remember Aunt Hazel and the girls growing up when Jeannie Babysat me and my Brother. I think when your Mother was buried I saw you last, I took my Mother there. Our family has grown small. I know you now are in Heaven with your Mother and Husband and my Parents. I hope to one day see you there myself. God Bless you and your family, May you Rest in Peace.*

“ *To Lois's family: I am so sorry to hear that Lois passed. I met her way back in 2000 when I would come to their house to take care of Whitey when he was under Hospice care. They both were so dear and I loved them both. Lois always talked about her kids; how wonderful and helpful they were and how much she loved them. I will never forget her; Rest in Peace Lois. “ *I grew up in the 500 block of Woodward Street. Lois was a great neighbor who guided a wonderful family. She was respected by all and cherished as an example of a good parent and responsible property owner. To her children, you knew her love best. May you have the knowledge that she was loved by many. May God bless you and you sweet mother.*
