

Louis (Lou) M. Dease

February 7, 2025

We will always remember your smiling face and your cheerful laugh. You were a kind person who would help anyone who needed it.

As a dad you were the best to our daughter, Dr. Katherine Delaney Dease Saina. While she was growing up you always had Katie by your side, allowing her to take part in helping you fix things including our washing machine and you did it with such joy and patience.

As Grandpa Lou you also loved to try to teach our granddaughter Hadassa by getting on all fours and proceed to show her the intricacies of how to crawl.

As a father-in-law you were so excited showing and giving your tools to Jacob. And loving when he called you to help on one of his projects.

People all over remember you carrying our rescue dog Pickles everywhere you went.

Thank Gd for bringing us Angels--extraordinary people--family, friends and strangers with acts of kindness who helped us through this journey.

For me, I will miss you forever. I love you Lou to infinity and beyond.

“ I wish I would have spent more time with Lou and Barbara. It was such a joy in my life seeing Lou walking around our neighborhood with Pickles. Barbara was so devoted, loving, and caring with Lou. It was so comforting to see her in church with Lou and watch how she made sure he was comfortable and saw to his every need. God bless you Barbara and your family. You, Lou, and Pickles are in our prayers every day. 🙏 Love to you and your family. Merry Jo

“ I have known Lou since moved to Lititz 2018. We met at Lancaster Astronomy Club. Lou was a gracious, cheerful and humble individual. I shared many conversations of mutual interest in astronomy and science. May his soul rest in peace. Heartfelt condolences to families. Mammen Samuel
