“ *Bill and Family*

Condolences and prayers to you and your family. May the peace that surpasses all understanding be with you and your family at this time.

Your mother and father touched many lives and enrich so many by their presence. My parents were fortunate to have had them as wonderful neighbors and friends. My mother kept in touch with Luella by writing when they moved to Florida and always thought of her as a close friend. With deepest sympathy. Pat and Karen Burkhart

“ *Bill,*

I was saddened to learn of the passing of your mother. I do remember her so well ... seeing her mostly during the great summers on Marshall Street. I remember what a sweetheart she was. I do hope that your faith in God will get you through this most difficult time. God bless!
