Luke Zachariah Prokay, 24, of Millersville, PA, passed away on Sunday, January 2, 2022, son of Ernest C. Prokay, Jr., and Anita L. (Refford) Prokay.

Luke attended Garden Spot High School, and graduated from Tivy High School in Kerrville, TX. He attended Reality Church. He enjoyed hunting, fishing, going to the beach, and spending time with horses. Luke loved spending time with his extended family. Life was never easy for Luke, but he lived his life to the fullest despite his struggles. He is and always will be our hero! We were blessed to be Luke's parents and brother. His dog Chester misses him tremendously and they loved lying beside each other on the floor. Best buds. Luke no longer needs his wheelchair, and he is running, talking, and seizure free in heaven with his nanny and many others who went before him.

In addition to his parents, he is survived by his brother, Adam M. Prokay, maternal grandparents Arthur and Gertrude Refford, paternal grandfather, Ernest Prokay, Sr., and many aunts, uncles, and cousins who loved him dearly. He was preceded in death by his paternal grandmother, Mary Prokay.

“ *Dear Anita, Butch, and Adam,*

We are saddened to hear of Luke's passing, our thoughts and prayers are with you.

I have oh so many memories of working with the boys through the years in therapeutic riding from the time they were little tykes! Luke loved riding, it gave him a whole different view of the world up on Hobbit, his trusty steed. He loved riding down the lane on a beautiful summer evening. Riding in our yearly shows was also a special time. Seeing Luke and his fellow riders dressed in their best riding clothes for the show was the best reward for all of us as instructors and also our volunteers, and families. Butch and Anita, you were such a big part of the TR family through volunteering, cheering on your sons, and sharing your positive attitudes with everyone around you. I am thankful to have been a part of Luke's life.

“ Luke was one of my favorite people! He was tricky, he tried to avoid somethings and some people by pretending to sleep. Ha,ha, I caught on to his little trick pretty quick and we had many years of hard work together. We were so proud of him at his high school graduation party and he knew it!

We rollerskated together at the Castle, he enjoyed going fast. Luke thanks to his amazing parents lived his life to the fullest! I am so thankful for the opportunity to be able to know him and be a part if his journey. Bernie Hershey

“ I worked with Luke for a short time in 2016. He always gave me the feeling as if he were telling me , “lady you are nuts!” I know he enjoyed our days together, as I talked with him for hours. Making sure he was as comfortable as possible in all the trips we took all over our area of Texas. Some of the folks I know have asked me,” how do you take care of children that are not able to walk and talk?” “How can a Merciful God allow this to be?”

I tell them it was not God’s plan for the sins of the world to cause any of us to suffer. But sin came into this world through Adam and the consequences of that sin fell on all of us. It is not because any of these children nor their parents sinned. But this is the product of our fallen world. That is why Father God sent Christ Jesus !!! To rescue us all ... and Luke , from the curse. Luke is now set free for eternity.

And how can I serve these little ones? That’s easy. I do what I can to make their lives as comfortable and joyful as this single simple woman can. Til they are finally set free. I praise God he gave Luke the parents he did. Butch and Anita have love ferociously and made sure Luke knew Jesus as his savior. Well done friends.

To God be all glory!!!
